Section 7 IRA Owner Agreement and Authorization

My account is self-directed and I, alone, am responsible for the selection, due diligence, management, review, and retention of all investments in my account. I agree that the Custodian and Administrator are not fiduciaries for my account as the term is defined in the Internal Revenue Code, ERISA, or any other applicable federal, state, or local laws. I acknowledge and confirm that I have received, read, and understand each of the disclosures for my account(s) and direction(s) of investment, and consent and agree to the terms and conditions contained therein. I direct the Custodian to execute the payment of the above-referenced expense ("Expense") for the benefit of my account. In directing the Expense payment, I acknowledge and represent that the Expense was incurred by my account, that the account is paying only its portion of the expense, and that any person/entity that has provided services relating to the Expense is an unrelated third party and not a disqualified person as defined by Internal Revenue Code Section 4975. I further acknowledge that no portion of the Expense payment will be used to reimburse me for any expenses paid out of pocket. I agree to hold the Custodian harmless from any liability for any loss, damage, injury, or expense that may occur as a result of the execution of this Expense Payment Authorization. I understand that the Custodian requires a reasonable amount of time to complete my instructions. I understand that I am required to maintain a minimum balance of \$500.00 in my account. I further understand that if my request would cause my account to drop below this required minimum balance, the request may not be processed.
