Rules and Conditions Applicable to Rollovers

Rollovers between IRAs

Timeliness. The assets you receive from the distributing IRA generally must be deposited into another IRA within 60 calendar days.

Required Minimum Distribution. Distributions that represent required minimum distributions paid to an IRA owner or beneficiary may not be rolled over.

Twelve-Month Restriction. You are not permitted to roll over only one distribution from an IRA (Traditional, Roth, SEP, or SIMPLE) in a 12-month period, regardless of the number of IRAs you own.

SIMPLE IRA Rollover Restriction. A SIMPLE IRA may not receive a rollover from a different type of IRA or be rolled over to a Traditional IRA within the first two years of the first contribution to the SIMPLE IRA.

Direct or Indirect Rollover from an Employer-Sponsored Retirement Plan

Eligible Person. You are an eligible person only if you were or are a participant in an eligible plan, the surviving spouse beneficiary of a deceased participant, or the alternate payee (spouse or former spouse) identified in a qualified domestic relations order. A nonspouse beneficiary may roll over assets to an inherited Traditional IRA only as a direct rollover.

Eligible Plan. A distribution will not be eligible to be rolled over unless the distribution is made from an eligible employer-sponsored retirement plan. A rollover contribution must be from one of the following eligible employer-sponsored retirement plans: qualified retirement plan (Internal Revenue Code Section (IRC Sec.) 401(a) (e.g., 401(k), profit sharing, money purchase pension)), annuity plan (IRC Sec. 403(a)), tax-sheltered annuity plan (IRC Sec. 403(b)), governmental deferred compensation plan (IRC Sec. 457(b)), or federal Thrift Savings Plan.

Ineligible Rollover Distributions. The following types of distributions are ineligible for rollover.

- Required minimum distributions
- Distributions that are part of a series of substantially equal periodic payments (made over single or joint life expectancy or for a specified period of 10 or more years)
- Hardship distributions
- Returns of 401(k) elective deferrals because of the IRC Sec. 415 allocation limitations
- Returns of excess contributions and excess aggregate contributions from a 401(k) or 401(m) plan
- Returns of excess deferrals (i.e., amounts that exceed the deferral limit)
- Plan loan amounts that are treated as distributions because of a default or because the loan does not meet the IRC Sec. 72(p) requirements
- Dividends paid on employer securities as described in IRC Sec. 404(k)
- PS 58 costs (associated with life insurance coverage)
- Permissible withdrawals from eligible automatic contribution arrangements (generally within 90 days of the first automatic contribution)
- Designated Roth account contributions (these contributions may be rolled over only to a Roth IRA)

Timeliness. If payable to you, the assets you receive from the distributing plan generally must be deposited into a Traditional IRA within 60 calendar days.
